SEEN, HEARD AND TOLD

By W. W. WHITAKER
When he feels like it.

(By WWW, Sr., - At Home)

Well, Andrew said that when I get back to writing he will say I am getting better.

One thing I want done, get W. E. Jackson to fix this portable typewriter.

This morning (Friday, Sept. 9) on our way to the farm, I saw my old friend, Lewis Dubard Sr. As usual he was busy.

Bill Cunningham, defeated in his race for Circuit Clerk, is on the ball, as I see him riding around.

Wonder who will take Marshall Perry's place .

Charlie Worsham is still in the saddle at the Court House.

I think the Cadillac Farmer is at the Peabody or Beuna Vista most all the time.

Brother Ellett Lawrence of Green wood came to see me Wednesday.

Thanks to Lamar Sledge for some kind remarks last week.

Dr. Isaacson came to see me today and he is a mighty smart doctor.

Our man Coleman is also in the saddle for 1956-60.

I've been sitting in this seat for an hour and I'm tired of it.

It's hell to be really sick.

Dr. Avent told me, and its true, my greatest asset is my loyal family

I have a good force in Mabel and Andrew. Don't know what I would do without them.

Thomas Bell is really a fine young man.

(Mrs. W. W. W.)

We congratulate Mr. Thornton and Mr. L. S. Hipp, owners and operators of the National Fuperal Home, located South on Highway 51. They indeed, have a beautiful and efficient establishment. Mrs. Thornton and Mrs. Hipp are in charge of the office work.

Thanks to Mrs. Vassar Dubard for a delicious chiffon creme pie. It's really good.

Had a nice letter from Mrs. Harry McCracken, one of the McLeod girls, saying she would like to use a sentence written by Whyte: "Go ahead, honeychild. She is writing a book"!

Well, Noel Staten, supervisor-elect of Beat 5, said he was tired of borrowing the GCW, so will get his own from now on.

R. C. (Cobb) Trusty, prompt as ever, sent in his annual dues.

Mrs. Cora Proudfit, settled down for the winter, will get her paper again.

Well, school has started, piano lessons and piano practice has started; churches are stressing attendance at choir practice, auxiliaries and clubs are meeting regularly, so, we say, Autumn has arrived.

Defenbaugh and Co.'s big building located on Main St., next to Mrs. Mary Scott's home, is coming on fast now.

Had a nice letter from Mrs. A. S. Shaw in Oklahoma City, with renewal to GCW, last week. She is the former Mrs. Katherine Grant of Grenada. Her husband is either state treasurer or state auditor of Oklahoma. They are in Los Anglees on a business trip this week. Thank you, Katherine.

Well they have torn down the little house, located on north side of the court house. This was one of the oldest buildings in Grenada, and we understand it was on the property when W. H. Whitaker 1st gave it to his daughter, Mary Whitaker, who married Mr. McLean, father of the late Judge McLean.

National Funeral Home Has Formal Opening

The formal opening of The National Funeral Home, which is located on Highway 51 South, was on Saturday and Sunday of last week.

Mr. J. A. Thornton, and wife, and Mr. L. S. Hipp, and wife, owners and operators of this splendid establishment extend an invitation to everyone to come by and visit and inspect their new home.

Affiliated with the home is Leonard Holland, who was owner of Holland Funeral Home, and Jerry Dogan. Mr. Holland sold out to National Funeral Home this past summer.

The National Funeral Home is located on a huge lot which has a 340 foot frontage and ample parking space. Landscaping is now in progress and the outside paint color scheme blends naturally with its location.

The interior decorating color scheme, a blending of soft blues, rose and light green, with gold tracing is very lovely. Office furnishing and the room reserved for the family of the deceased, are all modern and of excellent taste. There is a large display room filled with all latest model and finish caskets. The operating and embalming room features the very latest in equipment. The chapel is beautifully arranged, artistically lighted and carpeted. It is air conditioned.

Mr. Thornton and Mr. Hipp are brothers-in-law. Mr. Thornton is a former superintendent of Duck Hill School and at present has his home and business at Bruce. He is a native of Water Valley. They have a son, Jimmy, who is enrolled at University Medical School at Jackson.

Mr. Hipp, a native of Calhoun County has been in business with Mr. Thornton at Bruce where they owned and operated a funeral home. Mr. and Mrs. Hipp have a son, Cpl. Richard Hipp, stationed in a Massachuttes army camp.

Both the Thorntons and the Hipps are Methodists.

Grenada welcomes these fine citizens.

Flood Preventoin Activities

(By Boyce T. Evans, SCS)

Recent cooperators with the Grenada County Soil Conservation District Watershed Program are: Mrs. J E. Little, James Huffman and G. H. Cunningham of Helcomb community; G. E. Thomas and John Jackson of Long Creek community; and C. A Williamson, M. J. Whitten and Lewis Williams of Hardy community.

Planned practices for these farms include: 22 acres of tree planting on Mrs. J. E. Little's farm; 12 acres of sericea lespedeza, 5 acres of fescue and white clover, and 25 acres of bermuda overseeded with crimson clover on the hill land and white clover on the bottom land on James Huffman's farm; 7 acres of fescue grass and crimson clover and 5 acres of sericea lespedeza on G. H. Cunningham's farm; 19 acres of tree planting, 10 acres of sericea lespedeza and 15 acres of bermuda and crimson clover on G. E. Thomas' farm; 2 acres of sericea lespedeza 3 acres of coastal bermuda, and 7 acres of tree planting on John Jackson's farm; 3 acres of coastal bermuda and and 55 acres of sericea lespedeza on C. A. Williamson's farm; 3 acres of sericea lespedeza and 4 acres of tree planting on M. J. Whitten's farm; and 10 acres of bahia grass and crimson clover on Lewis Williams farm. Eight (8) acres of gully control work will also be done on Mr. Williams farm. This work will include 8 acres of tree planting, constructing 8 gully plugs and fertilizer, seeding and mulching raw areas. The work on 3 cantilever overfall pipe structures on Mr. Williams farm is practically completed. Mr. C. A. Williamson will start work soon on 5 cantilever overfall pipe structures on his farm.

This work is being done as part of a Watershed Flood Prevention Program. The farm owner and the U. S. Government, through the Grenada County Soil Conservation District, will share the expense.

GRENADA COUNTY "FARM OF THE WEEK"

If this is YOUR farm, you can get, without charge, a nicely mounted picture of the farm, but you must come to the Grenada County Weekly and identify it.

While you are in the GCW office, we hope to interview you and get a story, for subsequent publication, about this property and about your family.

If you need other photographs of the above, either the size shown, or larger or on postal cards, the GCW can, and will arrange for them. A reasonable charge of course will be made for these reproductions. Let us show you samples.

Corn, Now, To Be Put In Loan Like Cotton

State College, Miss. — Farmers with corn to sell from this year's splendid crop should consider the price advantages offered through the government loan program, according to Dr. Clay Lyle, director of the Agricultural Extension Service.

"Mississippi farmers can secure the greatest net income from this record breaking crop by feeding it to their livestock, but if one has surplus corn it should not be sacrificed now at 85 and 90 cents a bushel when corn grading No. 3 or better can be stored for a government loan of $1.30 a bushel in all counties of Mississippi On a few hundred bushels or more, the saving will pay the cost of providing permanent storage facilities which will be available for future crops."

"Farmers can then take advantage of any increase during the winter or spring in the price of corn. If the market price does not become attractive, they can be sure of getting at least $1.30 by delivering it to the Commodity Credit Corporation."

Delivery as early as April 1, 1956 to the CCC of corn stored under the loan will be permitted. Farmers wishing to do this will apply through their county ASC committees.

This possible April 1 delivery date is earlier than heavy insect damage is likely to occur. Dr. Lyle pointed out.

"The maintenance of the quality of corn stored on the farm under theCCC is the responsibility of the farmer, and he should be sure that he knows how to store the corn and protect the quality before he applies for a loan," he emphasized.

Although there are no specific requirements for farm storage facilities, such structures must be approved by the ASC county committees. The committees will determine whether these structures will adequately protect the corn against the weather and permit control of insects and rodents.

Loans to help finance storage structures are available through ASC committees.

See the local ASC office for details about the loan program.

County agents of the Agricultural Extension Service can furnish detailed information about construction storage facilities treatment of grain to control insects and related problems.

Mrs .Rose Kosman is to apartment hunt in New Orleans this week end wiht plans of spending the rwiter there. She is a native of New Orleans and her brothers and sisters live there.

Gray Harrison Injured In Automobile Accident

Gray Harrison, a popular young man of Grenada, employed at Brewer Motor Co. was injured in an accident Friday evening seven miles north of Grenada on Highway 51 He was going north about 6:30 p m. when the left front tire of his pickup truck blew out, causing him to lose control of the truck, leaving the highway and hitting a tree. He sustained simple fraqture of both arms and was considerably shaken up, however his condition is now very satisfactory, as reported at Grenada Hospital Wednesday morning.

Cotton Crop Is Big One For Acreage Allowed

According to C. O. Sennett, Grenaad County Agent, Grenada County farms will produce approximately the same yield of cotton (12,000) bales as was gathered in 1954, on acreage which was cut back 2,000 acres less than in 1954.

Farmers have a very serious problem resulting from cut acreage. In order to make more they spend more for fertilizer, for poisoning and this year, for defoliaging of cotton stalks which are of such rank growth, the lower boles are rotting.

The government, is in some markets, is paying more per pound in the loan than independent buyers can offer. That hurts all the business men engaged in buying cotton.

Looks like, to us, the government has taken over King Cotton, and will eventually ruin one of the finest free enterprises of the Southland.

Red Cross Quota Of $400.00 Is Reached

Miss Mary Elizabeth McNeil, Red Cross Executive Secretary and David Dubard, Grenada County Disaster Chairman, announced Monday that through the generosity of Grenada CountyCounty citizens the Red Cross met its quota of $400.00 requested and needed in the 6 New England states where distaster floods and hurricane damages ran into billions of dollars of damage.

Correct amount collected in Grenada County totalled $413.59.

Bible Study Conference At Willis-Hicks Baptist Church

The North Central Mississippi Baptist Pastors and Laymen will meet at Willis-Hicks Baptist Church on Tuesday, September 20 for a Bible Study Conference.

The program will start at 10 a. m. with Devotional and close at the end of Business and Miscellaneous meeting starting at 2:45 p. m.

C. H. Cutrell, R. B. Hicks and S E. Carter are on Committee.

John Wayne, Skipper of Tramp Steamer in "The Sea Chase"

John Wayne, who in his film career has commanded every type of sea, air and land craft you could shake a stick at, for the first time in command of a tramp freighter in "The Sea Chase", Cinemascope and WarnerColor thriller opening Saturday 10 p. m. at the Grenada Theatre.

As commander of the 5000-ton steam schooner, Wayne was on the bridge of the ship trying to run a blockade from Sydney Australia to the North Sea.

In "Operation Pacific" Wayne was the skipper of a PT boat; in "Wake of The Red Witch" he was a star of a full rigged sailing ship; in "Sands of Iwo Jima" he commanded a landing craft.

In one of his recent pictures "The High and the Mighty", Wayne was second in command of an airliner fighting its way across the Pacific after developing engine trouble far out at sea.

Undoubtedly Wayne's most memorable command in regard to landcraft was as the six-up driver in "Stagecoach", the picture that established him in stardom.

In "The Fighting Seabees" Wayne commanded a bulldozer, hardly as glamorous as a clipper ship in full sail, but a well-beloved piece of functional during the wars of the Pacific Theatre.

In "The Sea Chase", Cinemascope and WarnerColor feature directed for Warner Bros. by John Farrow Wayne is starred with Lana Turner

Mrs. Charles Lockett is attending the bedside of her brother, Mr. Cox, in Madison, who suffered a heart attack Tuesday. Miss Elise Lockett took her to Madison, but returned home.

"Constitution Week" To Be Observed By Local DAR

Of the various dates, observed by the National Society of the Daughters of American Revolution, not one is of more real importance than that of Constitution Week.

The banquet meeting on Sept. 16th at the Monte Cristo will be the beginning of a full years' work of the Grenada Chapter which holds its programs in line with the national organization's objectives.

The guest speaker for this delightful and informative occasion will be Mr. Robert B. Snowden of Memphis. He is an attorney of note and has been recommended from Washington, D. C. as an authority on this vital subject.

Presiding at this meeting will be Mrs. Eloise Larkin Wilkins, Vice Regent, in the absence of the Regent Mrs. H. W. Baker who is ill.

The hostesses are Mesdames M. F. McCulloch, J. M. Brewer, W. E. Bonham, C. H. Cutrell, H. A. Alford, Grover Lindsey and John Butler of Coffeeville.

The following information from the program of the Banquet of the Grenada Chapter, DAR, at the Monte Cristo, Friday, Sept. 16:

Robert B. Snowden

Robert B. Snowden, planter, Hughes, Ark. and Memphis Term.

The Hill School, Pottstown, Pa. 1915; B. S. Agriculture 1919 U. of Tennessee; S. A. E. Alpha Zeta, O. K. D.; World War I U. S. Signal Corps (Air) 1917-18, 1st Lt. World War II, USAF 1942-46, Lt. Col.; He was chairman of Agriculture Committee, Memphis Chamber of Commerce, 1933-37; and is Chairman, Wolf River Watershed Assn. 1953-55; also served as Chairman National Committee for Victory 1952; Board Member YMCA, Memphis, 1938-48; Board Member Crittenden County, Ark., Hospital, 1948-54; Trustee, Foundation for Economic Education 1952-55; Member Grace-St. Luke's Episcopal Church. He is an authority on Constitutional Government.

Saturday Afternoon Closing Announced By Banks

Announcement is made today that effective Saturday, September 24, Grenada Trust and Banking Company and Grenada Bank will begin closing at noon on Saturdays.

Beginning September 24, banking hours will be from 9 a. m. to 2 p. m. Monday through Friday of each week and from 9 to 12 noon on Saturdays.

Bank officials state that the change in closing hours is in order that better service may be rendered by keeping all tellers on constant duty on Saturdays and eliminate over time. This policy is also in keeping with the trend and policies of other banks located in towns the size of Grenada and smaller.

The Grenada Post Office began closing Saturday, Sept. 10 at 12:30 p. m. and will remain on this schedule until Christmas mailing season opens.

Grenada Bulldogs Defeated By Indianola 7-0

Grenada High Bulldogs were defeated last Friday night by a strong Indianola eleven by the score of 7-0.

After what seemed to be a jittery start, the Bulldogs settled down and played on even terms with the highly favored Indianola team.

Early in the first quarter, Grenada fumbled, deep in their own territory and this lead to the game's lone touchdown.

Quarterback Jake Gibbs was named "Player of the Week" and we agree whole-heartedly. He is an excellent passer, good runner, and a defensive bulwark.

We predict, that as the season goes along, that the Grenada High Bulldogs will be one of the toughest team in the Little Ten.

This week the Bulldogs journey to Houston for a game with the ever-tough Hilltoppers.

Mr. and Mrs. J. W. Bowen and family were guests on Sunday of Mr. and Mrs J. D. Branscome and children near Grenada.

Pots And Pans Are "Out" At Breakfast

Pots and pans take a back seat in modern breakfasts when ready-to-eat cereals are used. For Mom, as well as the rest of the family, they're the perfect morning time saver.

It takes but seconds to have breakfast ready when cereal is the starred dish on the menu. And best of all, such a breakfast ranks high in food value.

Here's a perfect example of what a modern morning menu should be . . . quick, easy and nutritious —

Post Toasties Corn Flakes
with
Stewed Apricots & Prunes
Bran Muffins
(prepared the night before — heated in the morning)
Coffee or Milk

Bran Muffins

¾ cup sifted flour
2½ teaspoons double-acting baking powder
¼ teaspoon salt
2 tablespoons sugar
1 egg, well beaten
¾ cup milk*
3 tablespoons shortening, melted
1½ cups 40% bran flakes

Sift flour once, measure, add baking powder, salt, and sugar, and sift again. Combine egg and milk. Add to flour mixture, add shortening, then mix only enough to dampen flour. Fold in cereal. Fill greased muffin pans two-thirds full. Bake in hot oven (425°F.) 15 to 20 minutes. Makes 8 medium-sized muffins.

*Sour milk may be substituted for sweet milk; add ½ teaspoon soda and decrease baking powder to 2 teaspoons.

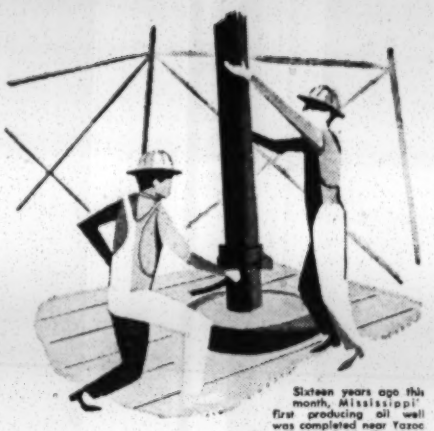
IMPORTANT IN MISSISSIPPI!

What is it?



Sixteen years ago this month, Mississippi's first producing oil well was completed near Yazoo City. Tinsley field, developed there, is still the largest ever found in the State. Other discoveries have now raised Mississippi to tenth place among oil-producing states.

there's no doubt about the importance of the beer industry in Mississippi. Wholesalers and retailers have a $29 million investment here . . . employing over 16,295 Mississippians and the beer industry is the fourth largest taxpayer in the State, paying over $4 million a year. It is largely through public acceptance of legally regulated beer, as the beverage of moderation, that beer has grown in importance in Mississippi.

Water Heaters

Modern automatic electric water heaters are first choice in millions of American hmes today because of their simplicity and efficiency. Water is heated by electric heating units silently controlled by dependable thermostats that keep the water hot at all times - at the temperature you want. Heavy, efficient insulation completely surrounds the tank, keeping the heat in and the cold out.

The electric water heater is easily installed without flues or vents, so it can be put right next to the kitchen sink, which eliminates long costly pipe runs and reduces heat loss. The difference between a 10 foot and a 40 foot pipe run can reduce your water heating costs more than one-third.

You need dependable, clean, economical hot water for these four big jobs in your home - bathing and personal grooming, washing dishes, washing clothes, housecleaning. There is only one completely satisfactory way of getting really hot water in your home to do all these jobs. That is to install an automatic elecrtic water heater. No matter how big your washings, how many baths your family takes, the automatic electric water heater will take care of all your hot water needs dependably, safely, economically and conveniently.

Electric water heating is as clean as the electric light - just can't give off soot, fumes or dirt. The outside of the water wipes clean as easily as your refrigerator. It's safe, too, because there is no flame - needs no vents or flues.

Your electrical dealer, plumber or we at Mississippi Power and Light Company will be glad to answer your questions and show you the model and size automatic electric water heater best suited to your family's needs.

Don't delay! You and your family deserve the best and most economical water heating service.

They aren't so timid on the highway!

You haven't noticed anything timid about the big trucks, have you? They look bold enough rumbling along amongst us auto drivers.

But the big trucks are afraid. They say so themselves.

What frightens them? The fact that they may be asked to compete on a more equal basis with the Illinois Central and other railroads.

That's the suggestion of an impartial committee of the President's Cabinet. It's an idea to save you money. More economical transportation will help reduce the cost of almost everything you buy.

But equal competition scares the truckers. They are accustomed to many special advantages at your expense. The President's committee thinks these special advantages are hurting you and should be eliminated.

Hearings on the Cabinet Committee report begin soon. We hope you'll follow them in the newspapers. Then you will know what we mean about the truckers. And you can decide for yourself what's best for you.

Mrs. Arnold Dyre attended a meeting of Farm Bureau directors in Grenada Thursday night.

Relatives and friends here of Mrs. Louis Peterson, Batesville are concerned in her recovery from a slight attack of polio. Mrs. Peterson, the former Joan Hayward, daughter of Mr. and Mrs. Albert Hayward formerly of Gore Springs, has been removed from the hospital to her home.

Guests of Mr. and Mrs. F. E. Gillon on Sunday were Mrs. Fred Tyner, Mr. and Mrs. Harold Ray Tyner, and Mrs. Denny Weeks, Canton. Mrs. Weeks leaves at an early date by plane for Japan to be with her husband, Lt. Weeks, who reported there this summer.

Mr. and Mrs. Maxwell Abel and Mr. and Mrs. Hemphill Abel were guests Sunday of Mr. and Mrs. L. V. Harrison in Marks.

Mr. Vance Hardwick of Jackson visited his daughter Ethel Hardwick in the Homer Trussell home Saturday.

Mr. and Mrs. Y. G. Burt of Dallas, Texas visited in the Rev. G. H. Middleton and James Williams homes Tuesday.

Home Demonstration Club Meets

Gore Springs H. D. Club met on Thursday, Sept. 8 at 2 p. m. in the club room with Mrs. Arnold Dyre president, presiding. Mrs. George Leverette led in a devotional period.

Mrs. Jim Moore, sceretary read the minutes of last meeting and roll call was answered with "My favorite woman in history or literature."

During the business session the following members were appointed on the nominating committee: Mrs. Sam Gillon, Mrs. Maggie Chamberlain, Mrs. Homer Trussell; the home makers book, due October 1 were given out; and completion of birthday calendars was planned.

The educational topic: Know your Health and Accident Insurance and How to Use It, was given by Mrs. Earl Gillon.

Mrs. Jim Moore and Mrs. Arnold Dyre gave a demonstration on One-Dish Meal.

Miss Bervil Elder told plans of County Farm Bureau Style Show to be held this fall.

Recreation, led by Mrs. Arthur Dixon was a contest of flowers resulted in Mrs. Maggie Chamberlain as winner. Mrs. Moore and Mrs. Dyre, hostesses for the month, served refreshments.

Twenty one members were present. Mrs. Etolle Jenkins was a visitor.

Mrs. Dora Sulton has returned to the home of Mrs. Henry Pollen in Scobey after a two weeks visit with Mr. and Mrs. Guy Sulton and Mr and Mrs. Fred Sulton and family.

Mr. and Mrs. Cecil Rutherford and children of Calhoun City were guests on Sunday of Mr. and Mrs. Earl Cantrell and son.

Mr. and Mrs. Sam Chambers and Mr. and Mrs. Wade Cook of Tupelo were over night guests Friday of Mr. and Mrs. Tom Gillon and family. The two couples came over on a 3-day fishing trip on Grenada Lake.

Mrs. Bertha Williams left September 10th to visit her niece Mrs Montfort Jones in her home at Bristow, Okla. Mrs. Jones, a recent patient in a Bristow hospital has been in ill health for a long time.

Among those visiting physicians in Memphis last week were Mrs. J. G. Shaw, Mrs. Billy Shaw, Mrs. C. L. Trussell, Jr. and Mrs. C. L. Trussell Sr. Mrs. J. G. Shaw returned Monday of this week for further treatment in Baptist Hospital. Mr. Shaw and daughters, Mrs. Jack Cary, Eupora and Mrs. Jack Rose, Greenwood visited Mrs. Shaw Tuesday.

Honored at Dinner on Birthdays

Sunday, September 11th the H V. Phillips home was the scene of a lovely dinner when Mrs. Phillips honored her son Donald and Judson Dorroh in celebration of their birthdays, occurring on SeSpt. 10th.

Present to enjoy the occasion with the honorees and Mr. and Mrs. Phillips were Mr. and Mrs. Curtis Dorroh and son, Grenada; Mr. and Mrs. Maurice Phillips and sons of Grenada, Route 4.

Granddaughter of Mr. and Mrs. J. W Bowen Wed

Miss Marilyn Hemphill, daughter of Mr. and Mrs. J. W. Hemphill of Grenada and granddaughter of Mr and Mrs. J. W. Bowen, Gore Springs became the bride of Isaac Eugene Wilborn, son of Mrs. F. G. Wilborn of Lucedale and the late Rev. F. G. Wilborn, Friday evening, Sept. 2, at 7 o'clock at Parkway Baptist Church in Jackson. Miss. Dr. Norman Price officiated. Mr. and Mrs. Wilborn are residing at 163 Deleware Street in Jackson.

THANK YOU

I take this opportunity to express my thanks to everyone for the excellent vote of confidence you gave me in the Second Primary.

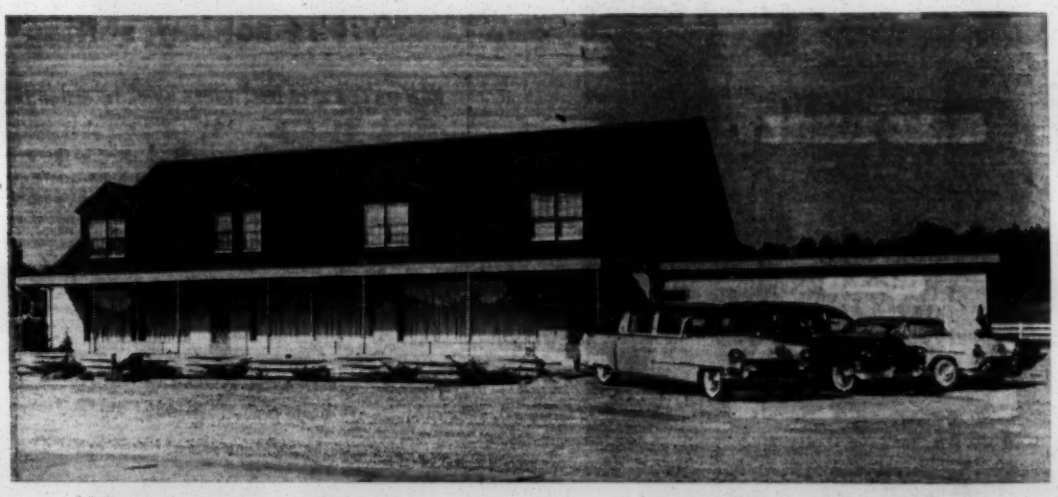
You have chosen me as your servant in the State Legislature and I shall at all times strive to live up to the great trust you have placed in me. It is an office which belongs to you people and I want each of you to feel free to come to me at anytime and discuss any problem which might arise.

We are looking forward to four years of great advancement in our state and I covet your prayers, your help and your cooperation at all times. It is only by this means that we of our Counties and our State will make progress.

I want you to remember that I count it a great privilege to have been chosen and I shall always have a warm spot in my heart for each and everyone of you.

Again I say I shall ever be grateful and Thank You Very Much.

JUANELL LOLLAR



WE CORDIALLY INVITE YOU—

We now have our new funeral home, THE NATIONAL FUNERAL HOME, located on Highway 51, South, in Grenada, open for your inspection and for service. We invite you to visit us at any time.

After more than two months of remodeling, the building which houses NATIONAL FUNERAL HOME is one of the most modern institutions in this section of the State of Mississippi. New equipment and new merchandise have been installed and are ready for your inspection and use.

J. A. Thornton and L. S. Hipp, who purchased the Holland Funeral Home, have had 15 years experience in the funeral business and are ready to serve this community with complete funeral and ambulance service 24 hours a day. A new air-conditioned ambulance has been added to the fleet of funeral cars.

Mr. Thornton and Mr. Hipp also announce that NATIONAL FUNERAL HOME is servicing all burial insurance policies issued by and through the Holland Funeral Home. They are also writing and servicing NATIONAL BURIAL INSURANCE.

We again invite you to visit and inspect our modern funeral home. In the near future we will call on you to discuss your burial insurance needs.

J. A. THORNTON L. S. HIPP

Wilborn—Hemphill Marriage Announced

—Courtesy Sentinel Star

Miss Marilyn Hemphill, daughter of Mr. and Mrs. J. W. Hemphill of Grenada, is the bride of Isaac Eugene Wilborn, son of Mrs. F. G. Wilborn of Lucedale and the late Rev. F. G. Wilborn. The wedding was solemnized Friday evening, September 2, at seven o'clock at Parkway Baptist Church in Jackson, Mississippi. Dr. Norman Price officiated.

Miss Ouida Hemphill of Grenada was her sister's maid of honor, and Conner Brown of Jackson served the groom as best man.

The bride graduated from John Rundle High School in Grenada where she was a member of the Glee Club, the Y-Teens, and was voted most beautiful her senior year. She is now employed by Southern Bell in Jackson.

Mr. Wilborn is a graduate of Pearl River High School, attended Pearl River Junior College, and served for three yea s with the U. S. Navy. He is stationed in Jackson with the 183rd Tactical Reconnaisance of the Miss. Air National Guard.

Mr. and Mrs. Wilborn are residing at 163 Delaware Street in Jackson.

DISTINGUISHED GUESTS HERE

Dr. and Mrs. John Landrum had as their guests the weekend of Sept 3-5. Mr. and Mrs. Robert Guy and three children of Baton Rouge, La. On Sunday, Sept. 4 Mr. and Mrs Guy presented special music at the First Baptist Church, of which Dr Landrum is pastor. Mr. Guy holds the responsible position of administrator of the large Baton Rouge General Hospital.

COLLEGE STUDENTS ENROLLED

We failed to mention all students in last week's issue, some of those omitted were: Howard Cheek who returned for second year at Tulane Medical School in New Orleans; Jimmie Smith, returned to Annapolis Military Academy; Robert Moore Vance to Ga. Tech. To Ole Miss: Shirley Wagner, Brad Dye Jr., David Weaver, Thomas Freeman, Walter Austin, Camilla Sutton. To Holmes Jr. College, Barbara Windham.

Mrs. Georgia Butler Adams who recently received her master degree in Education at Peabody College in Nashville, Tenn., spent 16 days here with her mother, Mrs. G. W. Butler. She left last week. Mrs. Adams will teach in Iowa State Teachers College at Cedal Falls, Iowa.

Mrs. Ellen Lee of Clarksdale visited her sister, Mrs. A. N. Rayburn last week. While she was here Mrs Rayburn's children, Mr. and Mrs. John Derhammer and little son John Jr. of Winona came for a weekend visit.

Atty W. O. Semmes motored to Washington, D. C. leaving here early last week, to bring his grandmother, Mrs. Will Jennings home after a six weeks visit there with her daughter, Mrs. Norman Ames and family. They reached home Sunday evening.

Mrs. G. H. Hartman and son Eugene of Boonton, N. J. arrived last week for a visit with their sister and aunt Mrs. Tom Coleman at Riverdale. Mrs. Hartman has returned home, leaving Gene here to spend the winter with Mrs. Coleman. He is a sophomrre at GHS.

Mr. and Mrs. Bill Owen and little daughter Susan of Birmingham were guests in the home of their mother, Mrs. H. C. Wilson, last week after spending several days in Florida.

Mr. and Mrs. Burnell Walker spent Labor Day weekend in New Orleans and Pensacola, Fla.

Mr. and Mrs. D. B. Jenkins and sons, Dan and Jack Wendleton of Jefferson City, Mo. were guests in the nome of their parents, Mr. and Mrs. Spencer Murphy last week. Mrs Fred Moser of Vicksburg, niece of Mrs. Murphy was a weekend guest.

Mrs. Fred Giles of Richmond, Ky. the former Miss Louise Stokes, is visiting her sister, Mrs. George Garner, Sr.

Mr. and Mrs. Bill Callaway and little son Billy have returned from a weeks motor trip through the Ozark Mountains.

GARDEN CLUB MEETS TODAY

Members and guests fo the Grenada Garden Club are meeting today (Thursday) for the regular September meeting at hte Monte Cristo.

Hostesses are Misses Willye and Margaret Cuff, Mrs. E. R. Proudfit, Mrs. W. P. Warner and Mrs. S. L. Murphy

---

Seaman recruit Harold Horton will arrive home this weekend for a 2 weeks visit with his parents Mr. and Mrs. Harold Horton. He is stationed at the base in San Diego, Calif.

Bill Orr, son of Mr. and Mrs. Edwin Orr of Grenada has enlisted for 3 years in the Regular Army for special assignment. He will train at Camp Chaffee, Ark. and later at Ft. Devans, Mass.

Miss Gloria Norris of Holcomb has enrolled at Miss. Southern College and Miss Barbara Elliott of Holcomb enrolled at Delta State Teachers College.

ANN SEMMES IS SEVEN

Lovely little Ann Semmes celebrated her 7th birthday on Wednesday at a party at her home on Margin Street. Her mother, Mrs. Raphael Semmes Jr. was assisted by Mrs Walter Wilder.

For this occasion Ann was dressed in blue organdy and wore a gift corsage from Mr and Mrs. Johnny Mitchell. Ann received lots of lovely gifts and thanked sweetly each one.

A beautiful cake, embossed with Walt Disney characters, was served with ice cream to: Lamar Poovey, Karen Ross, Lynn Ross, Becky Botelet, Ann Neely, Ann Turner Hunter, Martha Ray Horton, Greer Batson, Betty Batson, Paula Sims, Patty Sucoe, Josephine Lake, Barbara Boone, Barbara Dyre, Amarie Johnson, Linda Weir, Becky Sanders, Pam Juchheim, Ann Murphy, Ann Allison, Allen Townes, Miller Mitchell, Jim Martin, Brenda Scarberry, John Keeton, III, Ward Brister, Ivan Bass and George Prichard.

Guests from out of town last week in the home of Mr. and Mrs. Ingram Neal included Mr and Mrs K. T. Kroger and son of Canal Winchester, Ohio and Mr. and Mrs. Alton Neal of Winona.

Friends of Biz Joe Marascaco are glad to see him back home, and improved after a 2 months stay at Tucson, Arizona. Joe has a serious asthma condition and said that the climate out there helped him more than all the medicine he ever took. Joe wants to sell out his shoe shop and go back. His wife and two of their youngest children accompanied him.

Mrs. H. A. Alexander has returned home after a stay at the National Spa, Hot Springs, Ark.

Mr. J. G. Jones of Morris and Jones returned today from Mobile, Ala. where he enjoyed a deep sea fishing trip. This trip was won by Morris and Jones for exceeding their quota of sales of Hot Point appliances the past summer months.

Mr. and Mrs. D. O. Carlisle enjoyed a visit from their two daughters and their families this week. They are Mr. and Mrs. Jack Fields and son David of Milan, Tenn. and Mr. and Mrs. O. C. Harlin and daughter Lee Ann of Memphis.

Dr. John Landrum and Mr. N. R. Paschal attended the State Baptist Convention in Jackson on Monday.

Recent guests of Miss Faye Parker were Mrs. Rilla Poole and Mrs. Emma Gillespie of Shreveport, La.

According to a letter from daughter Caroline, subscriber John Vialet's oldest son, John Jr. of Baton Rouge, La. entered Harvard U. this week on a scholarship won in a highly competitive field. John Jr. is a nephew of Mrs. Milton Percival of Grenada, also of Caroline's husband, Mr Howard Eads.

Mr. and Mrs. M. F. McCulloch spent the past weekend in Clarksdale with their friend, Mrs. T. E. Salmon.

Recent guesst of Mr. and Mrs. M. F. McCulloch were Miss Louise Moffett of Memphis and Mrs. Herbert Abele of Louisville, Ky.

Col and Mrs. Sibly Moore of Washington, D. C. have announced, in August, the birth of a daughter. The baby's grandfather is Dr. Moore Moore, Sr. of Memphis.

ANNOUNCEMENT

CHANGE OF BANKING HOURS

EFFECTIVE SEPTEMBER 24, 1955

We Will Begin

CLOSING AT NOON ON SATURDAYS

Beginning September 24, 1955, our banking hours will be from 9:00 a.m. to 2:00 p.m. Monday through Friday of each week, and from 9:00 a.m. to 12:00 noon on Saturdays.

This change in closing hours is in order to enable us to render better service to you by keeping all tellers on constant duty on Saturdays and eliminate over time. We also desire to keep in step with the trend and policies of other banks located in towns the size of Grenada and smaller.

We realize that any change of policy causes some inconvenience to our friends in the beginning; and we, therefore, ask your kind indulgence and cooperation for a few Saturdays until we might all become accustomed to the new banking hours.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

Background Scripture: Leviticus 22: 21-22; Malachi.
Devotional Reading: Ephesians 5:1-8.

What Is Right?

Lesson for September 18, 1955

THE most dangerous notion in the world is that "right" and "wrong" do not mean anything at all but "I like it" and "I don't like it." When people begin to think along that line, all the walls are down, they have made the surrender of their character. Right and wrong do mean something, and all the slippery philosophies to the contrary notwithstanding, a person who is blind to these green and red lights is headed straight into trouble. Even when people are professing not to see any sense in those great words, for themselves, however, they do see how important they are for others.

Dr. Foreman

Doing As Everybody Does

One of the wrong ways to find out what's right and what's not, is the simple, easy, and foolish method of counting noses. That is, some people will think anything at all is right if enough people do it. At the lowest level, take some primitive tribe in Borneo where men are admired in proportion to the number of heads—human heads—they have cut off and brought home. The "best citizens" of such communities are the most murderous! Now it has not occurred yet to some of those people that this killing is wrong; everybody does it, everybody has always done it, so it must be right. At the upper level, or at higher levels anyhow, take some American school or college where more than two-thirds of the students cheat on examinations. Everybody does it, the freshman is told, so it must be all right. In the same community, perhaps, people who should know better will indulge in liquor just because "everybody" does it. But you cannot make a wrong thing right by addition.

Doing As You Like

Another mistake about right and wrong is to suppose that if a thing appeals to you strongly enough it must be right—for you. One man's meat is another man's poison, you will be told. If it is pleasant, that is a sign it is good; if it is unpleasant, that is a sign it is bad, or wrong. Now everybody knows how silly this is, when they see some one else putting up this kind of excuse. But when it comes home to one's own self, one sings a different tune. We hear talk like this: "I have a right to be happy, haven't I? . . . You can't expect me to sacrifice my own interests . . . Something I want so much can't be very wrong . . . I'm in the grip of something too big for me . . . After all, I've got myself to consider . . . If you knew how much this means to me you wouldn't blame me . . ." and so forth and so forth. Now there is a grain of truth—no more than a grain, mind you—in this kind of philosophy of life. Certainly the opposite is wrong, too: if the pleasant is not always the same as the good, the unpleasant it not always good either. Stuff you hate to eat may be good for you (like spinach) or it may be bad for you (like underdone sausage). In an ideal life, a person would love to do what is right to be done, he would not hate it. Still it does not follow that duty is always delightful, or that the "kick" we get out of something is a measure of how right it is for us.

Doing What God Likes

Malachi the prophet many centuries ago said pretty plainly, in the name of God, what is the real difference between right and wrong. (And of course this is not the only place in the Bible where this comes out.) The righteous (the good man) is one who serves God; the wicked man is the one who does not serve him. Now that is not so simple as it is true. The will of God cannot be read off like a blueprint. God does not stand at a man's elbow all day long dictating to him moment by moment what he must do. Nevertheless in the Word of God we have the main lines of God's will plainly shown. We are never to be saved the trouble of thinking our problems through. But yet we do have some course-lights, some beacons on our way. We have the Ten Commandments. We have the Golden Rule. We have the inspired word, "He that loveth his neighbor hath fulfilled the law." The will of God—the right for men and women—is as simple, and as profound, as love.

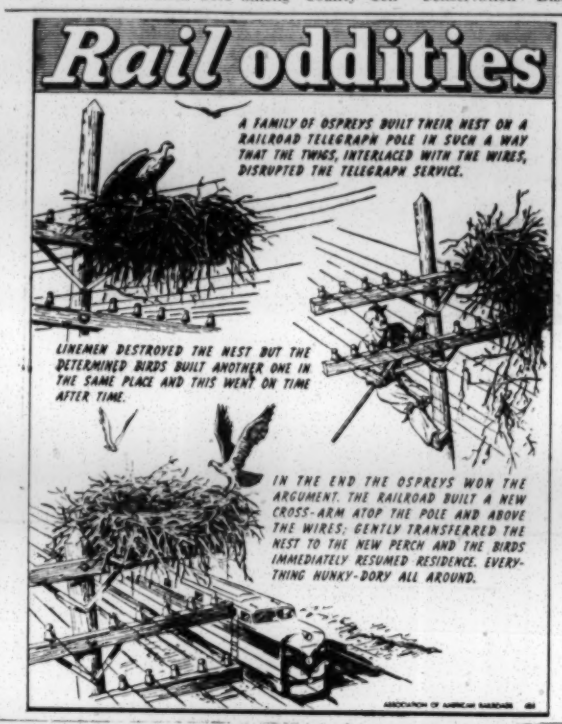
Rail oddities



A FAMILY OF OSPREYS BUILT THEIR NEST ON A RAILROAD TELEGRAPH POLE IN SUCH A WAY THAT THE TWIGS, INTERLACED WITH THE WIRES, DISRUPTED THE TELEGRAPH SERVICE.
LINEMEN DESTROYED THE NEST BUT THE DETERMINED BIRDS BUILT ANOTHER ONE IN THE SAME PLACE AND THIS WENT ON TIME AFTER TIME.
IN THE END THE OSPREYS WON THE ARGUMENT. THE RAILROAD BUILT A NEW CROSS-ARM ATOP THE POLE AND ABOVE THE WIRES; GENTLY TRANSFERRED THE NEST TO THE NEW PERCH AND THE BIRDS IMMEDIATELY RESUMED RESIDENCE. EVERYTHING HUNKY-DORY ALL AROUND.

This 1956 Lincoln CAPRI four-door sedan illustrates the trim grace of Lincoln's "big new look." More than 18½ feet long—7 inches longer and 2½ inches lower than the 1955 Lincoln—this roomy sedan will carry six adults in uncrowded comfort. With Lincoln's power steering now standard equipment on all 1956 models, a woman can wheel this all-new sedan into a tight curb space with ease. Lincoln's smooth-shifting turbo-drive automatic transmission is also standard equipment. Outstanding performance is assured by Lincoln's new 285 horsepower V-8 engine with 9 to 1 compression ratio and the highest torque of any American car.

HELP... continue treatment for
POLIO VICTIMS

ELIZABETH KENNY
Polio FOUNDATION
NATIONAL HEADQUARTERS • MINNEAPOLIS, MINNESOTA

Teams of Specialists Determine Needs of Kenny Polio Patients

Minneapolis, Minn. — Because no single individual can cope with all the problems posed by a severe case of poliomyelitis, the Sister Elizabeth Kenny Foundation employs all the knowledge, ingenuity and skills that modern science can provide to meet the rehabilitation needs of patients hospitalized at its Kenny treatment centers across the country.

Doctors and Kenny Therapists play the major role in rehabilitation. Other highly-specialized personnel, ranging from laboratory technicians who can measure the exact quantity of oxygen in an iron lung patient's blood to individuals who design and build to order gadgets that can be substituted for missing muscles, frequently are pressed into service.

As soon as the initial stages of the patient's treatment are completed, he is placed under the care of an Occupational Therapist who seeks to build up his strength by giving him various projects to perform with the affected muscles. Kenny Therapists and Occupational Therapists are directed by doctors who specialize in physical medicine and rehabilitation.

As the patient progresses, social workers and job-placement experts work with him, his family and his employer to effect a successful adjustment and to help locate employment within the limits of his ability.

For example, at Elizabeth Kenny Institute in Minneapolis, headquarters for Kenny work throughout the country, a team of specially-trained people has worked together for a number of years and has treated nearly 10,000 cases of polio. It has become a smooth-functioning unit and is capable of effecting total rehabilitation of patients with a variety of partially-curable diseases.

The Kenny Foundation has broadened the scope of its services by incorporating the application of effective techniques and rehabilitation of patients with various neuro-muscular diseases.

Mississippi Valley Gas Company
A Good Citizen Serving Mississippi

Grenada Dam Leases To Be Awarded

Col. Thomas B. Simpson, District Engineer of the Vicksburg District, Corps of Engineers, Vicksburg, Miss., announced recently that bids on leases for three primary commercial recreational sites on Grenada Lake, near Grenada, will be opened at 10:00 a. m., November 14, 1955, at the office of the District Engineer.

These leases will be awarded on the basis of the best offers of development and capability and willingness on the part of the bidder to provide facilities to accommodate the needs of the people visiting the reservoir.

The sites open for bid are: Grenada Landing, which is close to the dam on the south side of the Reservoir. This site will accommodate boat care and rental, overnight and vacation lodging facilities.

Choctaw, which is on the north side of the Yalobusha arm of the Reservoir, is the second site. This will accommodate boat care and rental, overnight and vacation lodging facilities including boat rental and concession facilities at Graysport, Youngs, and Upper Yalobusha supplementary sites during high reservoir stages. In other words, a bid on Choctaw will include the other three high stage sites on the upper portion of the reservoir. The third site is Skuna-Turkey Creek site which is on the Skuna arm of the Reservoir. This site will accommodate boat care and rental, overnight and vacation lodging facilities, including boat rental and concession facilities at the supplementary site at Gums Crossing during high reservoir stages. A bid on this site, like Choctaw, will include the additional high stage site as well.

The annual rental on the three attractive sites is based on a lump-sum fee ranging from $200 for Skuna-Turkey Creek site, to $350.00 on Grenada Landing and $475.00 on Choctaw. These rentals include the additional sites for high reservoir stages. These annual lump-sum rentals are in addition to payment of a percentage of the annual gross incomes, as follows: 3 percent on the first $5,000; 2 percent on the second $5,000; and 1 percent on all gross income over $10,000.00.

The terms of the lease will be for twenty-five years with a renewal for an additional twenty-five years at the option of the lessee. This will provide for full protection for the lessee's capital investment.

The lessee who develops one of these three sites will be in on the ground floor for the development of North Mississippi's newest lake, Grenada Lake. Based on figures of attendance at Grenada Lake this summer without any development at all, this should prove a wise investment in the future.

Bid forms for the leasing of these sites may be secured either from the District Engineer, Vicksburg District, Corps of Engineers, P. O. Box 60, Vicksburg, Miss., or the Reservoir Manager, Grenada Reservoir, Grenada, Miss.

Alva News Items

(Delayed from Last Week)

Mrs. Pearl Neal returned home Wednesday from Ohio. Mr. and Mrs Ken Kroger and baby came with her for a visit.

Danger Signal

Although many headaches are simple and respond to home treatment, those which persist are warning signals. The headache is a symptom, not a disease. It indicates that all is not well with the body and its normal functions.

When headaches persist or recur, consult your physician without delay. Good health is too often taken for granted until it is lost. If medication is prescribed, bring your prescription to us for prompt, economical service.

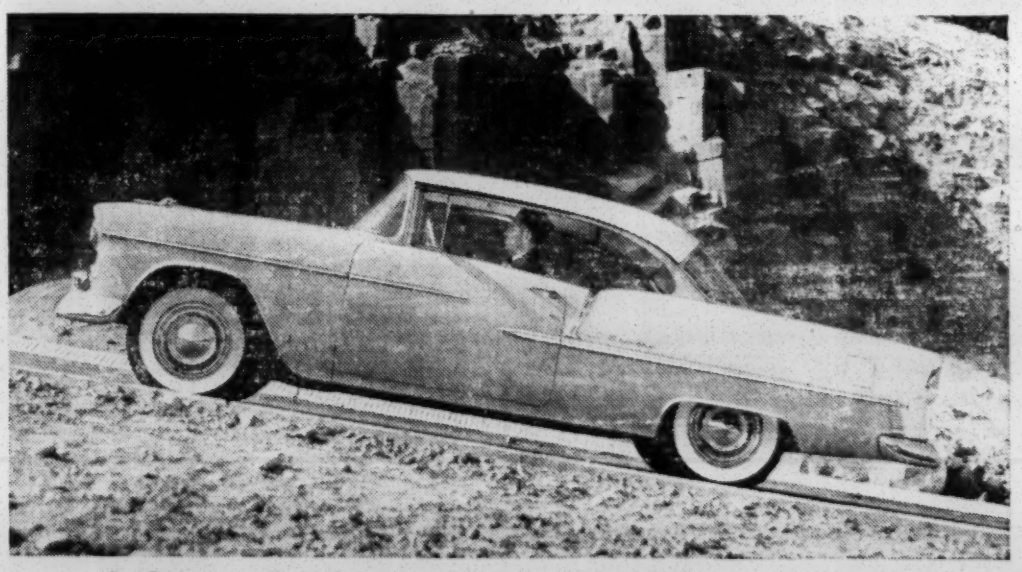
ASTONISHING PERFORMANCE!

And that's only half the Chevrolet story



Great Features back up Chevrolet Performance: *Anti-Dive Braking—Ball-Race Steering—Outrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.*

A lightning-quick power punch that makes your driving safer! That's one of the reasons for Chevrolet's winning stock car record—but it's not the *only* one. Not by a long shot!

The sizzling acceleration of Chevrolet's new "Turbo-Fire V8" is half the story; but it takes a lot more besides. Cornering and handling qualities really count on the NASCAR* Short Track circuit where Chevrolet's king—just as they count for safer and more pleasant highway driving. And even the high-priced cars don't slice through a tight turn as neatly—or handle as sweetly—as this beauty. The record proves it!

Come on in and sample all the things that give Chevrolet its winning ways. We're keeping a key ready for you!

Suffers Heart Attack At Grenada Lake

Mr. L. C. Turner of Philadelphia Miss. died at Grenada Hospital early Tuesday morning, following a heart attack suffered while fishing at Grenada Lake. He and Rev. C. C Cornelius, also of Philadelphia were fishing together when Mr. Turner was stricken. He died shortly after arriving at Grenada Hospital. Garner Brothers had charge of his body until McClain Funeral Home of Philadelphia came. Mr. Turner's relatives were called and came to Grenada.

Sorghum Time!!

Oliver Johnson, one of our old colored friends from Beat 5 came in Tuesday to inquire about Mr. Whyte.

Oliver is a tenant on the property inherited and owned by Billy Hoffa known to old settlers as the Martin place. The late Mrs. Hoffa Sr. being the former Miss Betty Martin.

On this property, in a shaded glen Oliver runs a sorghum mill. The new highway passes close by and its a real treat to smell the aroma that comes from a "run" as it leaves the pan and is poured into buckets.

Oliver said that, so far, he had made 865 gallons, and for his pay, every 4th gallon is "hisn". He left us with the expressed hope that Mr. Whyte would soon be up and about.

Card of Thanks

We want to express our appreciation for the many acts of kindness shown us at the time when we lost our husband and father, Mr. Ed Massey. The food brought to our home, and the flowers were greatly appreciated. Especially do we thank Dr. Gains Cooke at the Hospital and his nurses for their kind treatment.

—Members of the Massey family.

John Goza Jr. who recently graduated at Keesler Field, in Air Borne Radio Operator service, left this week after spending 5 days here with his father and step-mother, also his grandmother, Mrs. Betty Goza. After a short visit with his mother, Mrs. H. A. Dixon, in Tulsa Okla. he will report to McClelland AFB, Sacremento Calif. to await orders to go to Hawaii.

Chapel Hill H. D. Club Meets

The Chapel Hill Home Demonstration Club met in the home of Mrs. Fred Sulton for the September meeting with 10 members, one visitor and one new member, Mrs. Curtis James. Mrs. Fred Sulton, in the absence of Mrs. Guy Cohea, brought the meeting to order. Mrs. Sulton read the devotional and the Lords Prayer was said. The roll call was called.

New officers elected were:

President, Mrs. T. J. Marter, Jr.; Vice President, Mrs. Henry James; Secretary, Miss Lillie Marter; Recreation, Mrs. H. V. Phillips; Farm Bureau, Mrs. Fred Sulton.

Miss Elder, H. D. Agent, gave a demonstration on One-Dish Meals. She gave us recipes on how to make different things. She fixed a dish on dinner, which everybody enjoyed. Refreshments were served by the hostess.

The next meeting will be with Mrs T. J. Marter Jr. A new garden leader is Mrs. Jimmie James.

All members were not present.

—Contributed.

JITNEY—JUNGLE RECIPE OF—THE—WEEK

EGGPLANT STACK—UPS

Cut 4 slices of eggplant about ½ inch thick; dip in fine dry bread crumbs and place in greased shallow baking pan. Top each with an onion slice, then spread with ground beef (½ pound for four); sprinkle with salt, pepper and monosodium glutamate. Bake in hot oven (400F.) about 35 minutes. Remove from oven; top each with a tomato slice and about 1 tablespoon cheese spread (new three-way type). Return to oven and continue baking until cheese melts, about 5 minutes; serve immediately.

GARDEN, FRUIT & FLOWER GUIDE

Garden Guide for September prepared by the Extension Horticulture Dept., State College, Mississippi.

PLANT IN SEPTEMBER:

Mustard — Kale — Beets — Swiss Chard — Chinese Cabbage — Lettuce, head — Carrotts — Spinach — Collards — Turnips — Tendergreens - Onions.

OTHER SEPTEMBER JOBS:

1. Don't forget the Turnip and Mustard Bed. Broadcast a little nitrate over area, work well into the soil, level bed, sow seed, cover shallow and water if soil is dry.
2. Water garden weekly.
3. Sidedress August planted vegetables.
4. Clean off rows not producing.
5. Build coldframe for late Oct. and Nov. planting.
6. Continue to save good seed.
7. Add to compost pile.
8. Mulch newly planted vegetables.
9. Control pests.
10. Save barnyard manure for applying later.
11. Keep summer carry-over vegetables clean, fertilized and watered.
12. Thin root crops.
13. Save a few more dry "butterbeans" — good eating this winter.
14. Plant Shogoin turnips early — (lice resistant). Others later.

NEW FACILITIES ARE PLANNED FOR POPULAR GRENADA LAKE

Plans to provide adequate facilities for the estimated 1,500,000 visitors who are annually taking advantage of the recreational offerings of North Central Mississippi's four giant flood control lakes are currently being undertaken by the U. S. Corps of Engineers and the Mississippi Park Service.

The first of the four lakes to be completed, Sardis, had an attendance of 500,000 in 1954 following completion of modern park facilities, including overnight lodging, boat landings and picnic and camp sites.

Grenada Lake, opened in January 1954, is expected to nearly equal that record by the end of this year. A total of 20,000 visitors were recorded during the July 4th holiday alone.

Both the Corps of Engineers and the Park Service are presently concentrating on this popular recreational area. Two parks to provide accommodations for both white and colored vacationers already are underway and expected to be completed by February 1, 1956.

Meantime, the Corps of Engineers, with headquarters in Vicksburg, has advertised for bids on three main recreational sites and four supplemental boat rental areas. Bids will be opened November 14th.

The main recreational sites, which will be leased on the basis of the best proposal for development, are at Grenada Landing at the South end of the Dam; Choctaw Landing on the North shore of the lake at the entrance to the Yalobusha River, and Scuna Turkey Creek, north on the upper arm of the Scuna River. Leases are for 25 years with options to renew.

The Grenada Landing site, with 13.5 acres, calls for overnight accommodations, concessions for food, tackle and boats; a boat dock and floating service dock.

The Choctaw Landing site, with 69.3 acres, calls for about the same facilities, except that more emphasis will be placed on fishing. The Scuna Turkey Creek site also will be devoted principally to fishing with about the same facilities as offered at Grenada and Choctaw Landings.

Successful bidders will have two years in which to complete accommodations. However, initial boat facilities must be completed within 45 days from the time a lease is granted.

All three sites are located on permanent water level areas.

The four supplemental boat rental sites are Gum's Crossing, with 3 acres, Young's Landing, with 19.1 acres; Grovesport Crossing, with 7 acres, and Upper Yalobusha Landing, with 3 acres. The latter three are for high water boat landing docks.

Eventually the Corps of Engineers plans to encourage development of similar facilities at Enid and Arkabutla, between Grenada and Hernando on U. S. Highway 51.

Addition of these facilities is expected to substantially increase attendance at the four lakes and provide Mississippi with an inland recreational area second to none in the state.

Grenada Dam and Lake was built at a cost of $31,200,000 and is part of the overall project of the Engineers to control floodwaters of the Yazoo River Basin at the headwaters of the Yalobusha and Scuna Rivers at Grenada, the Yokena at Enid, the Tallahatchie at Sardis, and the Coldwater at Arkabutla.

The Grenada Lake is Y shaped and when filled to spillway crest extends up the Yalobusha River Valley a distance of 19 miles, with a surface area of approximately 100 square miles. The minimum level of the lake extends 7 miles upstream from the dam, having a surface area of 15 square miles.

The dam itself is an earth fill type rising 80 feet for a distance of 13,900 feet to form the western shore of the lake.

Seven picnic areas already have been set up and the lake has been stocked with crappie, bream, bass and catfish. Fishermen from Mississippi and surrounding states already are reporting excellent catches.

The Hugh White Park for white citizens will when completed provide a lodge, 10 duplex cabins, camp sites and boat landing docks and swimming facilities.

The Carver Point Park for colored citizens will have a lodge, group sleeping quarters, camp sites, boat landing docks and swimming facilities.

Meantime, several state-wide organizations are constructing camps on the lake. These include the Future Farmers of America and the Girl Scouts.

Grenada Lake, just four miles east of Grenada, is easily accessible to residents from all of North and Central Mississippi. It already is proving to be one of the most popular of the lakes along with Sardis.

Grenada Lake and its tributaries the Yalobusha and Scuna Rivers afford some of the best fishing to be found in North Central Mississippi. Although the lake was only opened in 1954, excellent catches of crappie, bream, bass and catfish already have been recorded.

Swimming beaches at Grenada Lake have attracted throngs of summer vacationers during the past few months. A total of 20,000 persons visited the lake July 4th and attendance this year is expected to reach 500,000.
